

## TECHNICAL DATA SHEET

Part#: 159G-RTX

---

### Tweezers - Replaceable Carbon Fiber Tips for 159G-RT

*The 159G-RTX replacement tips for 159G-RT contain 2 tips and 4 screws. The Carbofib™ tips are a polymer based material with 30% carbon fibers added (conductive 10<sup>2</sup> ohms/sq). Carbofib™ has very high rigidity, excellent tensile and flexural strength, fatigue and creep resistance, and temperature resistant to 249°F. Carbofib™ is a polymer based material with 30% carbon fibers added (conductive 10<sup>2</sup> ohms/sq). The bodies are made of anti-magnetic Neverust® stainless steel (AISI 316L). They are excellent for handling delicate items.*

- Precision Level                   ★★★
- Material                           Carbon Fiber Tips
- Surface Resistivity           10<sup>2</sup> ohms/sq
- Shape                               Straight
- Group                               Replaceable Tip Tweezers
- Weight (OZ)                   0.5
- Tip Size (CTM)               .005" x .025" (.125mm x .625mm)
- Tip Angle                         Straight
- Tip Length
- Body Width                   n/a
- Body Height One Leg       n/a
- OAL                               n/a
- Country of Origin           Italy
- UPC                               662847014833
- Schedule B                   8203.20.20.00
- Harmonization Code       8203.20.20
- ECCN                           EAR99
- UNSPSC Code               27112105
